ITINERARY

You'll start a day trip which takes you back over two millennia. Journey back in time to the ancient Roman cities of Pompeii and Herculaneum, buried beneath meters of ashes and lava during the eruption of Mount Vesuvius in 79A.D. Wandering the ancient streets of these archaeological sites, it's easy to miss out on the real must-sees – and difficult to understand them when you do see them. Get the best from your visit with an expert and authorized guide. After your full immersion in history, visit the crater where the peak of this imposing mountain looms over the coastline. From there, you can hike all the way to the crater and you will be able to see sulfurous smoke coming out.
